Dear [REDACTED]:

Enclosed is a copy of your Equifax credit file. Please review it for any unauthorized accounts or inquiries. If unauthorized information is reporting on your Equifax credit file, you may start an investigation immediately on-line at www.investigate.equifax.com. Using the Internet to initiate an on-line investigation request will expedite the resolution of your concerns. You may also start an investigation by completing and returning the enclosed Research Request Form or by calling the toll free telephone number on the credit file. Please advise us of any documents that may help us in the reinvestigation, such as an identity theft report or letters from credit grantors.

You should contact the credit grantors that are reporting information you believe is fraudulent. Ask them to explain their fraud investigation process, what steps should be taken and how long the process normally takes. Additionally request that they send you a letter or documentation stating the results of the investigation. Upon receipt, forward a copy of that letter to us.

If your ID information, such as driver's license or social security card, was lost or stolen, contact the appropriate issuing agency.
